Historian

What it does:
• Provides a common language for students to articulate what they gain from SkillsUSA participation to employers, school administrators, parents and other students
• Assesses student skill development along a learning continuum of awareness, demonstration and mastery
• Creates a vision for SkillsUSA programs at the local, state and national levels to ensure quality student-led experiences that build skills in all members

Why it works:
• Empowers every student to achieve career success
• Delivers a skill set demanded by business and industry but lacking in many employees today
• Ensures that every student member receives a consistent and specific skill set

It is the policy of the Nebraska Department of Education not to discriminate on the basis of sex, disability, race, color, religion, marital status, age, or national origin in its education programs, admission policies, employment, or other agency programs.
Agenda

8:00-9:00 am Registration
9:00-9:30 am Opening Session
9:45-12:00 pm Competitions
12:00-12:45 pm Lunch
12:45-1:45 pm Activities
1:45-2:15 pm Awards Session
2:15-2:30 pm Closing Session

What is SkillsUSA?

SkillsUSA is a national nonprofit organization. It is a partnership of students, teachers and industry representatives working together to ensure America has a skilled workforce. SkillsUSA serves middle school, high school and college students in programs preparing them for technical, skilled and service careers. In addition to technical skills training, SkillsUSA provides educational experiences for students in leadership, teamwork, citizenship and character development. SkillsUSA was formerly known as VICA (the Vocational Industrial Clubs of America).

Our Mission

SkillsUSA empowers its members to become world-class workers, leaders and responsible American citizens. SkillsUSA improves the quality of our nation's future skilled workforce through the development of personal, workplace and technical skills grounded in academics.
